

Radio Cowboy

R. Georg (GEMA), S. Bradley (BMI) 2019

Standard Tuning Capo none

½ Step Down Tuning Capo 1

E **E7**
I've been getting up at five, every day of my life
E **E7**
To the radio stations, to sell my songs
B7
Instead of riding my horse though long dusty days

A
Used to rush to do chores, now all I do is drive
A
Find some loyal listeners, try to turn 'em on
A
Now I'm all around the world, riding radion waves

Chorus

E **G#M** **A**
This ain't a rodeo, I ain't pullin' for first prize
E **G#M** **A**
But if you can hear my voice then I've got your heart in my sights
B7 **E** **A**
I'll lay you low with the tale of a reckless outlaw runnin' wild
F#M **A**
'Cause ever since I kissed that saddle goodbye
E
I've been a radion cowboy

E **A** **A**
Once I picked up that six string, nothing was the same I know every highway out there, and every dj's name
E **A** **A7**
I got a beautiful girl back home I know we're gonna make it somehow I bet she's listenin' right now

Chorus

Instrumental

Bridge

F#M **A**
Turn that dial to find some Merle and Waylon You just might hear me right there with 'em
F#M **A** **B7**
Johnny and June - Willie and Trigger Side by side with my heroes, comin' out of your speakers

Chorus

E **G#M** **A**
This ain't a rodeo, I ain't pullin' for first prize
E **G#M** **A**
But if you can hear my voice then I've got your heart in my sights
B7 **E** **A**
I'll lay you low with the tale of a reckless outlaw runnin' wild
F#M **A**
'Cause ever since I kissed that saddle goodbye
F#M **A**
Yeah ever since I kissed that saddle goodbye
E
I've been a radion cowboy
