D D A7  
 My mind goes back to the day I signed my life away on that dotted line

A7 A7 D  
 Now dotted lines are all I see from dawn to sunset all I do is drive

D D D A7  
 I'm chasing heat mirages Tryin' to stay out of garages From Houston to the hills of Tennessee

 I never miss a deadline But I damn sure miss my home and family

## Chorus

D D D A7  
 Ridin' in this beast made of steel strung out from this life behind the wheel

 Like Jonah I've been swallowed whole I'll eat and sleep and might grow old

 Ridin' in this beast made of steel

D D  
 Snapshots on the dashboard Are the people I need cash for

 Gettin' brainwashed by some crackpot On the radio who thinks that

 Everything is just one big conspiracy
