Standard Tuning Capo 5

½ Step Down Tuning Capo 6

Emin **C** **G** **D**
The trucks are loaded up with all our things Yours will drive to Memphis and mine to New Orleans
Emin **C** **Emin** **D** **Emin**
And though you wish I would I know that I can't stay Sometimes a broken heart just can't be saved

Emin **C** **G** **D**
There's an empty house standing behind me I'm trying not to look so I don't cry
Emin **C** **Emin** **D** **Emin**
Cause if I do, I know I'll be reminded Of all the memories we left inside

Chorus

G **D**
Scratches on the floor from moving chairs for family suppers
Emin **C**
Half a can of gray from when we painted all the shutters
D **Emin**
Holes from where we hung the pictures of our wedding day
C **D**
When we made vows we thought we'd never break
G **D**
Creaky wooden stairs leading down to Christmas mornings
Emin **C**
A dirty fireplace that kept us warm when it was storming
C **D** **Emin**
There was a time we thought that we had everything we'd need
C **D** **Emin**
Crazy how time goes and changes things
C **D** **Emin**
But this old house still holds our memories

Emin **C** **G** **D**
If those walls could talk they'd tell a story 'Bout love and all the pain that it can bring
Emin **C** **Emin** **D** **Emin**
And how I knew damn well that I'd be sorry If I ever chose to walk away From

Chorus
