

## Harvest Moon Heart

R. Georg (GEMA), K. Smith (SESAC) 2018  
CAPO 1 (KEY OF Eflat PLAYED AS D)

Standard Tuning    Capo 1  
½ Step Down Tuning Capo 2

          D          D                  D          G  
She's honest and wise            I could drown in her eyes  
G                  D                  D          A  
She knows me better            than I know myself  
          D                  D                  D          G  
She's grounded and strong      and I've known all along  
          D          A          D  
I'd never love anyone else

### Chorus

A                  D  D  G                  G                  G          G  
Her heart's as big as a harvest moon    she lights up every room  
D          A                                  D  D  G          G          G  
Oh how she shines            When she loves it's the truest kind    my lucky stars align  
                  D                  A                  D  
When her harvest moon heart loves on mine

                  D          D          D          G  
Through the hardest of times we've danced side by side  
G          D          D                  A  
She always knows the right thing to say  
D                  D                  D          G  
She makes me laugh she's my better half  
          D          A          D  
I'll do anything to keep it that way

### Chorus

A                  D  D  G                  G                  G          G  
Her heart's as big as a harvest moon    she lights up every room  
D          A                                  D  D  G          G          G  
Oh how she shines            When she loves it's the truest kind    my lucky stars align  
                  D                  A                  D  
When her harvest moon heart loves on mine

### Instrumental

### Chorus

A                  D  D  G                  G                  G          G  
Her heart's as big as a harvest moon    she lights up every room  
D          A                                  D  D  G          G          G  
Oh how she shines            When she loves it's the truest kind    my lucky stars align  
                  D                  A                  D          D                  A          G          D  
When her harvest moon heart loves on mine    When her harvest moon heart loves on mine
